

LAHBAT NEJM

AHR 624027

2006 Chestnut Mare 6.25% SBE

Bred by Patrea Pabst

Lahbat Nejm, meaning “Flame Star,” is nearly palomino in color, tall, elegant, and spirited. She represents one of my first planned breedings by a wonderful old stallion with powerful sport horse movement and even temperament. Her dam Morousa combines the elegance of The Minstril with the power and movement of Babson blood. P. Pabst photo.
